## PROGRAM

**Speaker:** Brian Sussman, KSFO Talk Radio Host

**Topic:** Climate Change

For 25 years Brian Sussman has been a top media personality in the San Francisco Bay Area. For many of those years he was the market's top television meteorologist and recognized by his peers as one of the most accurate and entertaining in the business. His accolades include nearly two dozen state and regional awards for "Best Weathercast" from the Associated Press and Radio-TV News Directors Association, a handful of Emmys, and an award of merit from the National Education Association for his enlightening science reporting. During the 1990s, Brian served as the fill-in weatherman on the nationally broadcast *CBS Morning Show* with Harry Smith.

In 2001, he voluntarily left the TV airwaves to host a local conservative political talk show on the legendary radio station, KSFO. In 2010, Sussman was promoted to headline the station's morning drive program.

Sussman was also distinguished by the State of California for assisting in the adoption of foster children. Through his organization, *Brian's Kids*, Sussman utilized the airwaves of KPIX-TV in San Francisco to highlight children waiting for adoptive families. Between 1989 and 2001, 400 foster children were placed into permanent families thanks to *Brian's Kids*.

Sussman's bestselling book, *Climategate: A Veteran Meteorologist Exposes the Global Warming Scam*, was released on Earth Day, 2010. His second book, *Eco-Tyranny: How the Left's Green Agenda Will Dismantle America*, was released on April 17. His books will be on sale following the luncheon.

## *The Big Sir Says . . .*

I would like to take this opportunity to thank the nominating committee for the outstanding slate of officers for 2013. I would also like to thank the new officers (listed below) for their willingness to serve. I'm looking forward to another good year for Branch 35. However, there are still two very important positions to fill:

Bob McKenzie, our Trail Tips editor, will be moving from this area in the early part of 2013. Hence, we are looking for a new editor to come on board before January to work with Bob and take over when he leaves.

We also have an immediate need a coordinator for this year's Holiday Party. Peter Barba has been the coordinator for the past several years and has done a fabulous job, but he needs a break. Hence, we need a volunteer to come on board very soon to work with Peter and learn the ropes from him. Anyone interested in either position please contact any of this year's officers, Bob McKenzie or Peter Barba.
