PROGRAM

Speaker: Jim Schlatter, SIR 35 Golfer

Topic: "A Day at the Masters"

The Masters is the one golf tournament that most professional golfers yearn to play and most golf spectators yearn to attend. Its hallowed traditions for both participants and spectators are unique among all professional sports, not only golf. Jim has attended the Masters twice. He will describe how a day unfolds for someone fortunate enough to secure an admission ticket to the tournament course. No matter whether you play golf or not, know a shaft from a shank, or can understand why someone could possibly want to wander around all day watching golfers, you can be entertained by a day at the Masters. Jim will tell you how.

Jim started playing golf at age 12 in Madison, Wisconsin. He captained golf teams in high school and at the University of Wisconsin and hit more golf balls by age 22 than he has hit in the 45 years since. Then he set aside his golf clubs to earn a PhD in Chemical Engineering at Stanford followed by 32 years of gainful employment. He retired in 2003, found his golf clubs in the closet where he had left them, and joined SIR Branch 35. Besides golfing with his SIR friends, he serves as Treasurer for SIR 35 Golf and exercises his public speaking skills at its Annual Banquet. Jim also edited Trail Tips for two years along the way. His golf swing of his youth still eludes him.

The Big Sir Says . . .

In response to concerns expressed by many (most?) regarding last year's July picnic, we have changed the venue to Saratoga Springs. In addition to the barbecue prepared on site, which will include beer and wine, there will be games and music. More details will be available at the March lunch. As usual wives and family are invited.

Remember that in order to maintain a robust branch, we need to continue to recruit more members. With natural attrition our total membership is shrinking. Invite your friends, former co-workers, neighbors, etc., to come to one of our monthly meetings as our guest. I believe that what they experience will be a positive incentive to join us.

Thanks go to Jim Dinkey for his short talk at the February meeting regarding CompuSir. In March, Hutch Hutchinson will give a brief talk inviting us to consider Widows and Widowers, a group whose name suggests its purpose.
