<u>Speaker:</u> Nicholas (Nick) Gottuso, 33 Years in Law Enforcement, Retired Senior SWAT Commander <u>Topic:</u> History of SWAT

SALINAS, Calif. —A 37,000-pound armored truck that was once used by the military in Iraq and Afghanistan will now be used by the Salinas Police Department for SWAT team operations.

We frequently hear of the use of SWAT Teams these days as part of law enforcement. How did these organizations originate? Nick will tell us with a PowerPoint presentation on "The History of SWAT."

Nick retired in June, 2011, as Senior Captain at Hillsborough PD and Senior SWAT and Sniper Team Commander of North Central Regional SWAT, the largest regional SWAT Team in the state. He is currently serving as Adjunct Professor of Administration of Justice at Skyline College.

# The Big Sir Says . . .

First, let me join with all of the members to thank outgoing Big Sir Joe Killian for a great year. In 2013, we started having our annual summer picnic at Saratoga Springs--it was a great success. We returned the Holiday Luncheon to the old format with outside entertainment-another success. We also conducted a survey of the membership to help direct the Executive Committee deliver a program that meets the needs and interests of the members. I will be reporting the results of the survey in the next meetings. We also reviewed our membership list and updated it. We are now around 380 members--the largest branch in the SIR organization. Financially we are in good shape. We will be launching a few new activities in 2014. One is Bocci Ball. We need a volunteer leader to put the program together, so please step forward if you are interested in this activity. Volunteers run our programs. We need more volunteers to participate in the ongoing operation of the Branch or in an individual activity.

We hope to launch a **Volunteer** Medical Emergency Response Team this year. The purpose of this team would be to expedite Emergency Medical Service response for any medical emergency that occurs during one of our meetings and provide appropriate first aid until the responders arrive. While we hope we never have to activate this group, experience tells us that we will have one or two medical emergencies during the year. We had two at the picnic, and due to quick response by one of our members who performed the Heimlich maneuver, we saved a member's life.

I want to thank all of the members who **volunteered** to work hard for Branch 35 during 2013 and those who will be serving us in 2014. I am looking forward to a great year in 2014. Look for some changes in the program and some new activities.

Ben

TRAVEL

ED PAUSA 650-324-0322 clements.e.pausa(at)us.pwc.com

Assistant: Walter Weber 408-371-8925, walterweber08(at)comcast.net Who will be Branch 35's Most Intrepid Traveler of the Year?

As part of our modified mission to become more of an enabling servicer rather than a sponsor of branch trips, your Travel Committee is planning to organize a contest to recognize Branch 35's most intrepid traveler of 2014. The award will be based on all travel completed, not just SIR trips, although if there is sufficient interest we could have a second award for travel on SIR trips. Consistent with the nature of the contest, the winner of the award will receive a bottle of Johnny Walker Black Label or Veuve Clicquot Champagne. To get the program started we propose that the initial award be based upon any travel completed between July 2013 and October 2014 based upon criteria appropriate for SIR travel with due consideration for resolute fearlessness, fortitude, endurance, and uniqueness. All members are encouraged to notify us, Ed Pausa and Walter Weber, via email of all qualifying travel completed. Please identify: month of travel; destination(s) visited; days and miles traveled; mode(s) of transportation used; significant activities or events; number in travel party; evaluation of the travel experience and recommendation for others. A running summary of all the inputs received to date will be included in future issues of Trail Tips.
