PROGRAM

Speaker: Nicole Sandkulla, Chief Executive Officer and General Manager of BAWSCA

Topic: The Bay Area's Interests in the San Francisco Regional Water System: Past, Present and Future

The San Francisco Chronicle reported in January, 2014, that a debate is emerging between the San Francisco Public Utilities Commission (SFPUC) and the Bay Area Water Supply and Conservation Agency (BAWSCA) over the potential disaster if the water system's Mountain Tunnel collapses. That tunnel supplies 2.6 million Bay Area homes and businesses with water. SFPUC has known for 25 years that significant work is needed on the 19-mile-long tunnel just outside Yosemite National Park. But ultimately, the 89-year-old connector was left out of a rebuild project, which focused on upgrading Bay Area water facilities that could fail in an earthquake.

This was just one of the issues facing our speaker, Nicole Sandkulla, when she was selected to be BAWSCA's CEO/GM in July, 2013. Ms. Sandkulla, a civil engineering graduate of California Polytechnic State University-San Luis Obispo, joined BAWSCA in 1999 after nine years with East Bay Mud. During her fourteen years as

Water Resources Manager for BAWSCA, she was described as "a results-driven executive." She has a huge job representing the interests of 24 cities and water districts, plus two private utilities, that purchase water wholesale from the San Francisco regional water system. These entities provide water to 1.7 million people, businesses and community organizations in Alameda, Santa Clara and San Mateo counties.

The Big Sir Says . . .

I am honored to be your Big Sir for 2015. I hope I can fill the shoes of the terrific Big Sirs that have preceded me, most recently, Ben Gikis. Ben had a great vision for 2014 and through his efforts accomplished a lot. For starters, we will have a new venue as of the February 18th meeting when we all convene in the Elks Lodge in Palo Alto. What a difference that will be. A modern facility with state of the art audio equipment and, maybe most importantly, a real upgrade to our luncheon menu. I am certain that all of us will appreciate our new digs. We certainly have Ben to thank for this since he was so persistent in pursuing this move.

Ben also upgraded our member roster rooting out those that no longer attended meetings and paring the list down to those loyal SIRs whose attendance has been consistent.

I also know from talking to many of you that you really enjoyed the great speakers we had last year. Our speaker program will continue to be strong.

Lastly, we are adding activities to Branch 35. Our new SIR Wine Group has held two very successful wine tastings prompting more to come in 2015. I look forward to continuing the momentum that Ben's leadership provided during 2014.

Unfortunately, I will be unable to attend the January meeting. However, your Little SIR, Gary Waldeck, will conduct the January meeting in my absence. I will be there for the inaugural meeting at the Elks Lodge in February. See you all there!

Dan

RON NAKAMOTO 408-440-2330
ronandela(at)comcast.net

Fellow Branch 35 members,
Beginning in February 2015 we will include a monthly introductory article focusing on one of your fellow members. Wouldn't you like to know a little more about other members of our branch? There are many in our organization that have achieved some laudatory highlight in their long lives whether it was in their career, with their community or maybe a really interesting hobby. Let's get to know a little more about you/them. I will select the first few members to inaugurate the article. However if you would like to nominate someone to highlight or would like to help out with the interview and article please send me an email declaring such. Looking forward to 2015!

Ron Nakamoto

Thanks to all members who have paid their annual dues of \$25 for 2015. This essential yearly donation enables us to meet our annual financial obligations. It pays for our Roster Booklet, our monthly Trail Tips mailings, our quarterly assessment from the State SIR organization and a large number of miscellaneous expenses that help keep our branch running smoothly. About 60% of our members have already paid. If you have not already done so, please pay the dues as soon as possible. You can mail your **\$25 check to me, Don Cameron, 1868 Fordham Way, Mountain View, CA, 94040**, or give it to me or to one of the revenueurs at the meeting. Make your check out to "SIR Branch 35" with "2015 Dues" noted on the memo line. **Don**

Hiking to be scheduled in February

Based upon your responses, there is some interest in continuing the hiking program with modifications. So, starting in February, we are proposing to conduct hikes twice each month. tentatively on the 2nd Tuesday and the 4th Friday. Hikes will be for two levels of effort:

1. Trail routes generally no more than 4 miles in length and 400 ft. in elevation change.
2. Trail routes generally up to 7 miles in length and 800 ft. in elevation change.

These levels might be combined with two groups on each hiking day, or one group on the 2nd Tues. and the other on the 4th Fri. As before, wives and guests are welcome to participate. I would appreciate hearing suggestions from SIR members (who want to hike) and have not previously responded or participated. Specific hike details for February will be in the next *Trail Tips*.

Start the New Year 2015 by planning a travel adventure for a new or exotic experience. SIR offers a wide variety of times and venues in the Americas and Europe. Two of those are:

April 6-12, 2015 National Cherry Blossom Festival and Historic Virginia Tour- This 6 days/15 meals excursion includes premium reserved seating for the National Cherry Blossom Parade, visits to Colonial Williamsburg, Jamestown Settlement, Mount Vernon, Arlington National Cemetery and many more great historical attractions. Brochures available at the Branch travel table. Make sure and ask us about the early application deposit discounts now available. For more information and reservations call Branch 21 Escorts Ron Berube (408-829-5588) and Dick Kohl (408-268-0428).

November 5-23, 2015 Crossroads of Turkey (19 days)- This land tour of Turkey begins with 3 days in Istanbul, then proceeds to Asiatic Turkey featuring stops at the Gallipoli WW I battlefield, legendary Troy, many ancient Biblical, Roman and Greek sites, fascinating geological features and museums showing history back to the Hittites, and ends in Ankara. The per person cost is \$3795, either single or double, and includes air fare from SFO, tour transportation, all hotel accommodations, all taxes and fees, gratuities for drivers/guides, 35 meals. An optional 5 day pre-trip to Athens is available for \$1295. For more information and reservations call Branch 62 Escorts Jim Hohenshelt (408-394-7226) and or Roy Jordan (408-735-8765).

Our 2014 Branch Travel Contest to be Awarded in February- As announced in previous editions of Trail Tips, the Travel Committee organized a branch-wide contest to recognize Branch 35's most intrepid traveler of 2014. As of the December 15, 2014 closure date we have received 16 entries. Those entries will be considered and evaluated in January and the winners announced at our February 2015 luncheon meeting. The winners of the awards will receive a bottle of Johnny Walker Black Label, Veuve Clicquot champagne or equivalent wine of choice.

What is your opinion, do you think we should have a similar or equivalent contest for 2015? If so, how should it be organized? Let us know by email, telecom, or at the Travel Table.

For more information on other SIR travel events, see our Travel Bulletin available at the luncheon Travel Table or on our Branch 35 website: <http://www.closereach.com/sir/newsletters/travel1501.pdf>.
